

EXHIBIT A

Dear Judge Treager, MY name is
B [REDACTED] Bradley. I am 12
years old. I'm writing you
because I believe you should
let my dad out of prison
during this pandemic.

I believe you should let my
dad out because I know he
is a changed man, and
everyone deserves a second
chance at life. My dad has
spent five years regretting
everything he has done in
the past to end up where
he is now. My dad showed
me and my siblings that
he wants to be a better person
and better dad when he
leaves prison. I would like

for my dad to see me and
my brothers graduate instead
of looking at pictures behind bars.

I believe my dad is not
a threat to society, and
all he wants to do is get
home so he can take care
of me and my two brothers.
I love my dad and all I
want this year is for him
to be home with our
family. Thank you.

B [REDACTED]
